Congregation Rodeph Sholom

11:00am—12:00pm

I am going to a Rosh Hashanah service at Rodeph Sholom on Tuesday!

The service will be in a big room called the "Schafler Forum."

Rabbi Ben will lead the service, and Louie will play his guitar.

I will do good sitting, and I will listen to Rabbi Ben and Louie. I will sing along if I want to.

I will hear a Rosh Hashanah story.

We will sing a special prayer called the "Shema."

Some people close their eyes for this prayer. I can help lead this prayer if I want.

Rosh Hashanah is a good time to give each other blessings for a new year.

There will be a chance to say nice things to each other.

Rabbi Ben will take the Torah out of the ark for dancing and singing.

Then Rabbi Ben will read from the Torah.

I can play a tambourine, play a drum, or use a shaker if I want.

On Rosh Hashanah we eat sweet foods.

There will be apples and honey to eat at the end of the service.
